## Real Estate Loans

The strategic use of commercial real estate is a key component of a successful business today. Whether for a purchase or refinancing, First Commonwealth Bank's® real estate loans give your business the ability to:

- Renovate existing facilities
- Purchase other buildings
- Develop additional sites
- Determine the mortgage structure that best suits your needs

Along with our financial experience, First Commonwealth will work with other real estate professionals, such as architects, engineers, contractors and appraisers to assure your real estate transaction is done properly.
