

Who We Are

We are a bank with offices located throughout 20 counties in Western Pennsylvania and Central and Northern Ohio, including a commercial banking loan production office in Cleveland, Ohio and mortgage loan offices in Stow and Dublin, Ohio. We are big enough to deliver all of the services of a large bank, yet small enough to allow for one-on-one, individualized relationships with our clients, including consumer, small business and commercial banking services as well as insurance, investments, trust and estate planning.

We passionately work toward our mission to improve the financial lives of our neighbors and their businesses. To enhance the quality of life of our community members, we provide financial support to local programs and encourage our team to volunteer within their communities.
