Dear

I wanted to add an immense
thank you in writing to
acknowledge your great help in
securing the loan money for the
Paycheck Protection Program. It
certainly will add to the comfort
level of keeping us in 'business'
until we reopen. I know you spend
many hours above and beyond your
normal work hours advocating for
the

and for your other clients and
I deeply appreciate it! Let me
know if I can write a letter to
the administration of F.C.B.

Thank you again!

With Deepest Gratitude

Director, LCHS
